KIN 41 - Gentle Yoga 1.5 Unit(s)

Transfer Status: CSU
17 hours Lecture
34 hours Lab

This course introduces students to the art and practice of gentle yoga, using postures which are gentle in nature and allow a vast majority of the population to perform them. The course includes an introduction to modified physical postures (asana) which stretch and move the spine and limbs as well as basic breathing techniques (pranayama), which refers to the expansion of the breath. Students will learn relaxation techniques for decreasing stress and physical discomfort.

II. OBJECTIVES

Upon successful completion of this course, the student will be able to:
A. Define terminology specific to yoga practice.
B. Explain the different branches of yoga.
C. Explain benefits of gentle yoga to health and wellness.
D. Demonstrate the complete three part breath.
E. Demonstrate asana positions using chairs, blankets, blocks, straps and wall space.
F. Identify asana postures by name along with spinal position.
