VI. EXAMPLES OF ASSIGNMENTS
   A. Reading Assignments
      1. Read three articles that describe the concepts of choreography. Be prepared to discuss and apply information found to your small group work on patterns and variations.
      2. Research information on partnering skills such as cues, positions, directions, lead steps and tempo. Be prepared to discuss in class.
   B. Writing Assignments
      1. Write a two page essay describing in detail three-count, four-count, and syncopated rhythms. Be prepared to make a five minute presentation on one of these rhythms in class.
      2. Write a one page essay describing the concepts of musicality, including rhythm, melody, and mood. Choose one aspect that you most enjoy to discuss in class.
   C. Out-of-Class Assignments
      1. Attend a dance concert or musical production and critique footwork and handwork, posture, positioning, holds and balance, and choreography. Be prepared to share highlights of your evaluation in class.
      2. View at least three videos online demonstrating ballroom dance syncopations. Be prepared to discuss and practice in class.

VII. RECOMMENDED MATERIALS OF INSTRUCTION
    Materials Other Than Textbooks:
    A. Dance apparel (comfortable clothing that allows for movement)
    B. Athletic or dance shoes
