Total Hours 34.00

IV. METHODS OF INSTRUCTION
A. Multimedia Presentations
B. Lecture
C. Discussion
D. Demonstrations
E. Homework: Students are required to complete two hours of outside-of-class homework for each hour of lecture
F. Drill/Practical

V. METHODS OF EVALUATION
A. Demonstration
B. Class participation
C. Written Assignments
D. Written or Oral Examinations
E. Class Discussion
F. Practical evaluations

VI. EXAMPLES OF ASSIGNMENTS
A. Reading Assignments
   1. Read and be prepared to discuss the handout on the "Benefits of Walking."
   2. Read and be prepared to discuss the two handouts on calculating your "Exercise Target Heart Rate."
B. Writing Assignments
   1. Design a four week walking workout program.
   2. Write a 400-500 word essay on "Why or Why Not" you will continue with a walking program when the semester is over.
C. Out-of-Class Assignments
   1. Attend, observe, or participate in a community walking event.
   2. Research and read the Choosemyplate.gov website; listing five suggestions or recommendations on nutritional information new to you.

VII. RECOMMENDED MATERIALS OF INSTRUCTION
Materials Other Than Textbooks:
A. A. Materials will vary depending upon the activity requirements. B. The student will be
required to provide: a. Athletic apparel b. Athletic shoes
