CATALOG DESCRIPTION:

This course is a continuation of the skills developed in Wind Band Skills 2 and is oriented toward those students with limited collegiate wind band experience who wish to further develop their musical and ensemble skills.

Introduction of secondary and intermediate wind band skills are utilized as a continuation of the fundamental skills developed in the first two courses. Emphasis is placed on development of multi-faceted individual practice, intermediate level section rehearsal techniques, and intermediate performance skills with musical interpretation.

Students must have a minimum performance skill level in order to take this course, as this is an ensemble-based course dependent on student-to-student interaction.
