**Catalog Description:**
This course will further the study of the creative and production aspects of running a dance ensemble for the purpose of community outreach and performance. This course is designed to allow continuing opportunities for students interested in producing original choreography and performing in the dance studio at GWC, on the GWC Mainstage and elsewhere in the community at an intermediate/advanced level. Students will be provided performance opportunities and experiences required for management of a dance company. All aspects of dance concert production are studied including choreography, lighting, costuming, publicity, music, scenery design, special effects and staging. Placement by audition only. Enrollment not accepted until auditions at the first class meetings.
